IOWA SPEEDWAY NASCAR NATIONWIDE SERIES

*This travel package planned by
Denise Hovden-Baumler*

NASCAR comes to Iowa! Great names in racing will take the green flag Iowa Speedway in Newton.

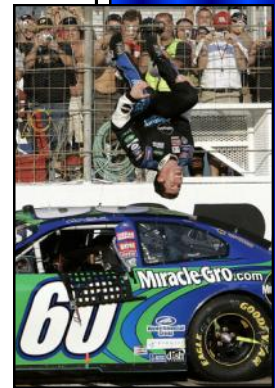

We'll pick up in our guaranteed departure cities, on our way to Newton. Let our professional drivers take care of the traffic and parking hassles, while you relax in air-conditioned comfort. We'll arrive at Iowa Speedway early enough so you can explore the drivers' souvenir trailers and we'll have a tailgate meal for you. Then take your seat for what's sure to be a great race.

Rusty Wallace had an integral part in designing this .875 mile tri-oval track. It was the first driver-designed NASCAR approved speedway. The 25,000 permanent seats are nearly sold out, at time of printing! We're pleased to have ordered our seats early.

After the race, relax in a comfortable, reclining seat as we return to our departure cities.
