

Guaranteed departure cities are listed in our detailed trip descriptions (available upon request for any trip). Your closest pick-up point will be assigned at final document time (about 21 days prior to departure). You may change to another planned departure point, but must notify our office. If no guests are scheduled at a departure city, we will not stop. Additional points along our direct route may be added for guest convenience. If your home city is outside of a 50 mile radius (“as the crow flies”) of our nearest departure point and the tour you select is 6 days or longer, we’ll provide **complimentary pre-departure lodging** but we must make this reservation for you. If you select a shorter tour or don’t qualify for free lodging, ask about reduced-price lodging. We reserve the option to provide a shuttle or complimentary overnight.
